Continuation of Substance of Interview including description of the general nature of what was discussed: Mr. Chenier informally proposed new claims 1-8 for consideration. See the attached proposal faxed to the examiner on 4/27/05. In response, the examiner indicated that said claims would not place the application in condition for allowance. To assist Mr. Chenier, the examiner offered new claims 4-6 (see the attachment) to replace original claims 1-3 so as to place the instant application in a better condition for allowance. In response, Mr. Chenier accepted the examiner's proposal. .
